## Another Treasure Hunt!

As the treasure hunt we did in April was so successful, we've decided to do another one on Friday the 16th of June during our afternoon session. Last time, we hid different objects and gave the children lists of what they had to find. They found them very quickly so we'll have to make this one a bit tougher for them!

## Finger Printing Family Tree

At our afternoon session on Wednesday the 21st of June, we are going to let the children have a go at making a family tree!

We will be using paint so be prepared for mess !!

We hope the children will find this activity exciting as this will be an opportunity for them to talk about their families and make their own tree. You may want to chat with them about family members before the event .

## Mini Sports and Games Night

Seeing as it's getting close to the summer holidays and Cliffe School are doing their own sports day on the 5th of July, we thought we'd have our own mini sports night with some games thrown in too.

We'll be organising the egg and spoon race (fake eggs instead of real ones don't worry!), tennis, sack races, big outdoor Jenga and more. We are sure the children are going to have a lovely afternoon us with us.
