

Welcome to Sarah

Sarah is our new Level 3 Qualified Playworker, and has settled in well bringing with her lots of new ideas. She has a wealth of experience to bring to the role, and has been really keen to get to know the children. We're really glad to have her as part of the team.

Limited Places Available

Now that those starting school know where they will be going, we have opened bookings for September for new children, and we do still have spaces for either Ad Hoc or Regular Sessions for those already at the school. Limited places are still available so please contact Katie and we'll be very happy to help. Registration packs are also available from school reception, or on our website www.youngdiscoverers.com You are very welcome to pop into any of our sessions for a visit. There's no need to make an appointment, simply turn up, and we'll show you what we do. We're open each day 7.30-9.00am and 3.30-6.00pm, and the best news of all is that for a limited period, registration is FREE - a saving of £30, so contact us now.

Events coming up

The weather is fantastic at the minute, so we are making the most of it in the garden. Currently we are having a sunflower competition with the other after school clubs at Escrick and Riccall, so watch this space!!!

Coming up after half term, you can book in for some of the following events:

- * Thursday 7th June Movie Making night. We'll be making our very own unique cartoon film. It's a great chance to be creative and let your imagination run away with you.
- * Monday 11th June Video Star night. Be the star of your own pop video, and bust some moves speeded up or slowed down or just sparkled.
- * Wednesday 13th June Trip to 3 Hagges Wood. Venture out with us in the YD minibus to a very special wood meadow with everything from a bug hotel to ponds, plants, trees and birds to discoverer.
- * Friday 15th June Outdoor Den Building. With a mixture of natural and man made resources we'll put together a fabulous den in the school grounds.

We've many other events planned too, and look forward to giving you further details in our next newsletter.

First Aid for Parents and Carers

Would you know what to do if your child was choking or had suffered an electric shock? It's something we hope never happens, but it's great to have the peace of mind that everything would be ok in such an event. This is why all of our staff are trained to level 2 in Paediatric First Aid, but what about at home? Don Buxton from Yorkshire Ambulance Service is running a First Aid session for parents on Friday 1st June from 6.30pm - 8.30pm at Young Discoverers Nursery at Escrick. If you would like to attend please phone Kathy on 01904 728700 to secure your place (cost is £5). Places are limited so please book early to avoid disappointment.

Hours to be Extended from September

From September we will be opening until 6.30pm each afternoon to provide a full three hours of childcare each day. We hope this will make a big difference to parents, and brings us in line with our other Before and After School Clubs, so we will each offer 4.5 hours of childcare a day when families need it most.

Breakfast at Breakfast Club

We're open from 7.30 for breakfast and have a wide range of healthy cereals, toast, fruit juice, fresh fruit etc. Please remember though that if you want to enjoy breakfast with us, we need you to be with us before 8.20am in order for the children to have enough time to enjoy their meal, and have chance to play before we pack away. If you arrive after 8.20 there's still time to play, but we're not able to provide the breakfast service.
