

Autumn Is Here!

Autumn has finally arrived which means Halloween isn't far away! We have some fun activities planned for this month which we think the children will enjoy at our breakfast and after school sessions. Over the next few weeks, our craft table will have Autumn and Halloween pictures and word searches for the children to complete.

Pumpkin plates

On **Tuesday the 17th** during our afternoon session, we will be making pumpkin plates. The children will be able to paint their pumpkin design onto their paper plates and decorate it with various sticky craft materials!

Skeleton Pictures

On **Friday the 20th**, we will be designing our own skeletons. The children will have a cut out template of a skeleton which they can put together how ever they like. They can decorate it with lots of different sticky materials and colouring pencils and pens. This will be during our afternoon session.

Halloween Krispie Buns!

After half term week on our Halloween PM session (**Tuesday the 31st**), we will be making chocolate krispie buns topped with jelly bugs!!

The children will hopefully enjoy one of their spooky buns during snack with us and take one home to show all the family.

October News

Our Before & After School club would like to welcome Katie to the team who will be the clubs new manager as from Monday the **13th of November**. Katie comes with a wealth of experience of working with children and lots of fun ideas for activities and events.

Our current manager Emily will be moving to Young Discoverers Nursery but will be providing support to ensure a smooth transition and continuity of care.

We would also like to mention that our setting is registered for tax free childcare!

This is a way of effectively gaining a discount on your childcare through a savings account which is topped up by the government. It can't be used with childcare vouchers, but is really great if you can't use vouchers or are self employed.

If you are interested, here is a link to the government website with all the information on.
