Ice Ice Baby...

On Tuesday the 12th of September during our breakfast session, we will be trying out a science experiment we have found.

It includes ice and food colouring so fingers crossed, it works out how we want it too!

We will post videos and pictures of our experiment on our new

Family Photography Sessions

On Sunday the 10th of September, David Lindford, a photographer who has worked with Young Discoverers Nursery in the past, will be hosting photography sessions for family photos at 3 Haggas Meadow (Hollicarrs).

This is a great opportunity for natural images of your children, them and their siblings or entire family photos which would make lovely gifts and great photos to keep.

The slots are 20 minutes and we are taking bookings now.

If you are interested, you can talk to Lydia and Emily during the sessions at school or you can contact Cliffe before & after school club mobile

You can also call Kathy, the nursery manager at 01904 728700
