

What's happening at Before & After School Club

We were delighted to celebrate our 1st Birthday party last month. It really doesn't feel like we've been open a whole 12 months it has gone so quickly, but we're delighted with how it's all gone, and how much the children have enjoyed the sessions. We continue to grow each and every month, and welcome more children, so thank you all for your support.

It's Spring and we're hoping for some great weather so we can get out more for lots of fun. We have lots planned for this month, we have Mother's Day activities, we've got crazy slime, science experiments, treasure hunts and team games and even a little bit of

bingo !!!

Farewell to Lydia and Welcome to Sarah

It is with great sadness that we say goodbye to Lydia this month. Lydia has been with us since the start of the Club, so we're very sad that she is leaving us, but wish her well in her new role that will fit really well with her studies and give her some further experience in an Early Years setting. We do wish her well.

Jane will be covering in the short term in place of Lydia, however we are delighted to be able to welcome Sarah Gabb to the team. Sarah is very experienced in working with children in both school and Early Years and holds both her Level 3 in Childcare and as a teaching assistant. She's really looking forward to assisting Katie, and meeting all of the children.
