

23/9/2016

Dear Parents/Carers,

Please find below a newsletter regarding our learning in **West Wing** this week.

In **English** we have written retold the 'The Great Mouse Plot' from Roald Dahl's boy as a science investigation, created a brochure about holidaying in Norway, using Purple Mash, based on information from Roald Dahl's childhood memories, as well as editing and re-writing a letter to Roald Dahl's mother from boarding school. In **SPAG** we have been learning about the prefixes: re and pre.

For **Maths** this week we have been continuing our learning on place value, solving problems and investigating negative numbers.

During our **Science** lessons this week we have been investigating electrical conductivity and seeing which metal lets the bulbs shine brightest. While in **Geography**, we have been using ordnance survey maps to help us label our maps of Cliffe using Microsoft Word. Furthermore, in **RE** we have been making paper bags for Christian Aid and discussing how some children must 260 every day just to survive.

For **French** this week we have been expressing likes and dislikes for breakfast, while in **PE** we have been introducing tag rugby belts while focusing on rolls and balance in gymnastics.

Our **Homelearning** this week is to indicate where the capital letters should be in the sentences and explain the reason why.

Thank you for your support.

Regards

Mr. A Price
