10<sup>th</sup> March 2017

Dear Parents/Guardians,

Your child has been invited to attend a Year 5 STEM Fair at Barlby High School on Thursday 16<sup>th</sup> March 2017, 9.30am until 3pm, accompanied by a member of Cliffe School Staff. A packed lunch will need to be provided and a non fizzy drink.

The aims of the Fair are to:

- \* Complement, enhance and enrich classroom delivery of Key Stage 2 National Curriculum
- \* Give young people the opportunity to experience learning situations with adults other than teachers
- \* Begin to highlight how diverse and exciting Science, Technology, Engineering and Maths really is
- \* Foster positive and effective links between business and education
- \* Enable business partners to keep abreast of changes in education by taking part in delivery of KS2 National Curriculum

The Fair operates through a carousel of stimulating and interactive workshops run by business partners, many of whom are very experienced in STEM Fairs.

The workshops are practical interactive and fun! They are designed to inspire and excite the learners in the many and varied aspects of Science, Technology, Engineering and Maths. Each workshop will last approximately 40 minutes and each learner will move through 5 different workshops throughout the day.

Could you please complete the consent form below to confirm that you are happy for your child to attend the STEM Fair and return to school as soon as possible.

To enable us to cover the cost of the coach which is **£40.00**, we are asking for a voluntary contribution of **£3.00 per child**, which should be paid via ParentPay. To help cut costs we are sharing a coach with Hemingbrough Primary School. Unfortunately if we do not receive the funds this trip cannot go ahead.

Yours sincerely

Mrs S Hay  
Head teacher
