## Opening on 6th February 2017

I'm delighted to be able to tell you that as a result of our Ofsted visit on Monday 23rd January 2017, approval for our brand new Before & After School Club at Cliffe has been granted. It was a real pleasure for the team to get together and meet each other, and for us to share all our plans with the Inspector. It was very exciting to see the children's faces as we brought various bits of resource into the building such as our new pool table, and the mass of lego we have, as well as crafts and much more. We really can't wait to get started. Our opening hours will be Monday - Friday, during term time, 7.30-9.00am and 3.30-6.00pm. Morning sessions will cost £6.00 and include breakfast, and afternoon sessions will be £9.00 including a healthy snack.

## Open Evening Tomorrow Night 26/1/17

Just a quick reminder that you can visit us at Cliffe school tomorrow night for our open evening for parents, children and carers who are interested in attending the Club on either a regular or an ad hoc basis. Ruth Newton (Club Director), Emily Burton (Club Manager), and Lydia Wray (Playworker) will all be present from 5.30 - 6.30pm. You will have an opportunity to see the resources on offer as well as meet the staff, and make suggestions based on your children's interests. If you haven't already done so, we will be able to take registrations on the night for places. If you can't make it on the night, or would like to see Young Discoverers in action, you are very welcome to visit our Before & After School Club at Escrick School at any of our sessions there. There's no need to make an appointment as we believe that every moment with us should be special and reflect what we really do, so simply just turn up, and Andrew and Jane will gladly talk you through what they do, and how we plan for much the same at Cliffe. Escrick Before & After School Club too have had an Ofsted inspection this week which went very well, and we'll let you know the outcome as soon as the report is available.
