Cliffe Before & After School Club May 2017 News

We're getting busier at our Cliffe Before & After School Club! We've got a lot of fun activities planned for May, and still have some spaces available if you'd like to book for your child to attend.

If you would like more information, remember feel free to drop into any of our sessions or give Emily or Lydia a call on the Before & After School club mobile [07827918591](tel:07827918591).

You can also email Ruth on ruth@youngdiscoverers.com for any other enquiries, or to request a registration pack. There are also some registration packs at the school reception desk.

Den Building

Our first den building day went down so well we're doing another one! On **Wednesday the 10th of May during our afternoon session**. As the weather improves, we're trying to get outside as much as possible, and let the adventures continue.

Any spare sheets or curtains etc would be brilliant to help us build more dens! We'd be very grateful of anything that anyone would like to donate.

Wierd Science!

On Thursday the **18th May** during our breakfast session, we are going to be doing a science experiment! The experiment is called 'self-inflating balloons' and it involves balloons, water bottles, vinegar and bicarbonate of soda.

Hopefully the kids will enjoy it and the staff will be able to do it right!

We got the team at Escrick Before & After School to test it first, and are determined to improve on their results!

Corn Flake/Krispie Chocolate Buns

We are going to be making some yummy chocolate corn flake and krispie buns for the children to take home on **Wednesday the 3rd of May** during our afternoon session.

We're going to be decorating them with sprinkles and marshmallows! Hope you can join us, and take one home for your tea.

Cliffe Neon Party!

We are going to host a neon party for our **afternoon session on Friday the 26th May**. It's going to be a great end to half term. We will play music, play with glowsticks and we will also have some neon paint to put on our faces which glows in the dark, so we'll dim the lights and see how dark we can get it. If you have any questions about the neon party or the paint just pop in and see us or give us a call or text on our mobile 07827 918591.

Come and Join Us

All children are welcome to join any of our sessions on either an ad hoc or regular basis, including the days with activities planned. Registering costs just £25 per family, and includes the first session free. Just give us a call and book in an ad-hoc session and come and join the fun! Our website has recently been updated too, where you can view our page for Cliffe's Before & After School Club, find our registration packs, and view past newsletters. www.youngdiscoverers.com
If any parents or children have any ideas of activities we could do or would like us to do, just let us know ☺ Thank you!
