Activities we've enjoyed this term

We've been making Christmas cards, calendars, handprints, snow globes and lots more to get everyone in the festive mood. We've done lots of festive activity sheets as well as all of our usual games resources and activities. We've also added some new resources too so there's been loads to do. We've been making Christmas

snowmen biscuits like we'll bet you've never seen before, and have lots of party games and loud music throughout the final week of term. We finish so closely to Christmas this time that we can enjoy all the magic with you. We welcome all of your suggestions for next term too, and look forward to seeing you all then too.
