Cliffe VC Primary School

16th November 2016

Dear Parents/Carers,

We are holding a meeting for parents and carers to gain a better understanding of Phonics, and the way that Phonics is taught in school. In this meeting we will discuss the different phases in Phonics that your child works through, the terminology that we use during Phonics lessons and the sounds themselves.

This meeting is particularly aimed at parents of children in North and East Wing; however it is open to parents across all classes, as many children continue to require Phonics support in Key Stage 2.

There will be a meeting at 3:30pm and another one at 6pm on Wednesday 30th November. We hope that holding two meetings provides you all with an opportunity to attend one of them should you wish.

Please contact Mrs Stacey or Mrs Hay in the School Office to confirm which meeting you will be attending.

We look forward to seeing you.

Kind regards,

Miss Ware

Phonics Leader
