Cliffe Primary School PTA

Dear Parent/Guardian,

We are very excited to introduce you to the new 'Cliffe Primary School PTA'!

The new PTA has been set up this year to continue the great fundraising work that the former 'Friends of Cliffe School' (FOCS) have done for the school in the past. We would like to thank the former members for all their hard work in raising vital funds that recently;

- enabled our children to experience a Christmas pantomime performed by a professional theatre company;
- bought a new portable cooker for the school, so that our children can have increased access to baking/cooking activities;
- allowed our children to be part of a living eggs project, where they witnessed first hand the process of hatching chicken's eggs in their classrooms;
- and much more!

As the new PTA, we have already begun planning some exciting events for the rest of Spring and the Summer Term. These include the Mother's Day Craft evening on Friday, 4th March, the Easter Disco on Wednesday, 23rd March and the Cliffe Family Fun Day for the summer!

We want to continue to provide our children, families and local community with fun extra-curricular activities and events. In order to do this, we need your support!

As parents, you are automatically members of the PTA (together with all of the staff) and so you may like to join the PTA committee. The PTA committee meets in an informal way approximately once a half term. Meetings are usually in the evening and serve the purpose of discussing future events planned.

You do not have to be a member of the committee to help out at any of the events! Just ask! If you do become a member of the committee, there is no obligation to attend every meeting. The minutes of each meeting are emailed to all committee members, so you can keep up to date with progress, and they will also be on display in the notice board on the playground.

We will soon have a Facebook page for the purpose of keeping you up to date with events and activities that are coming up! We have also chosen a new logo, designed by the children, so watch this space!

The work of our PTA will hopefully continue to help the school flourish into the successful school it has become. Please help us by supporting in any way you can!

Thank you

Amy Wilson and Rebecca Foster

(Joint PTA Chairpersons)
